SURVEY RESPONSE #	Property Owner?	Comments
1	Y	Improving snowplowing on lesser traveled roads. I live in Marathon County on a town road and the service is excellent. Maybe need to hire an additional driver or get another truck to improve more timely service.
2	N	Limit zoning on farmland along N. I do not want to see it developed into campground (or like Holly's) or a massive subdivision.
5	Y	Communication for people who cannot make it to meetings because of shift work. If there is already something available, I am not aware of it.
