

	Residential		Town Board Communication
SURVEY RESPONSE #	Property Owner?	Q1	Comments
2	N	7	Website is helpful. Maintaining meeting minutes a plus. Add budget/Expense info?
5	Y	5	I do not receive any communication because I am on someone else's tax statement.
8	N	1	We think the board could do a much better job of informing and educating taxpayers on the more complicated issues such as zoning. People must have a government that serves them, not one that seeks to circumvent them.
9	Y	10	Good
12	Y	6	Prairie Rapids Road needs work from L to Y.
16	Y	6	We don't know what you're not telling us.
17	Y	7	Overall pretty good. Website is good. Improvement could be had if town board meeting minutes were published prior to next up monthly meeting. For instance, Jan 2025 minutes could published prior to February meeting.
26	Y	1	Need alerts to our smart phones with news, agenda, weather. Facebook or emails sent out in a timely fashion.
36	N	5	I don't think I receive any updates from the town board. LNCC - Yes Town Board - Don't think so.
39	N		N/A
44	Y	8	Only when there's elections and taxes.
47	Y	5	All town meetings should be announced on WJJQ
50	Y	4	Utilize the town website more. Most if not all residents have cell phones or computer access.
52	N	5	Town hall meeting minutes are very generalized and doesn't contain the details of the discussion.
55	Y	2	It felt like we were being "backdoored" by the town during the zoning issues we currently had. It also felt like there are a few members of the board that are trying to push their agenda of more restrictive zoning.
59	Y	1	There is no communication. At the town board meeting public comments and concerns are not taken into consideration.
60	Y	7	Board meeting should be recorded (video) and easily accessible online. In person Board meetings need to adhere to the agenda while maintaining orderly decorum.
61	N	3	A town newsletter - quarterly, the highlights of the meetings.
62	Y	8	What does this have to do with land use?
65	N	5	Only time we hear anything is in our tax bill... we are seasonal users
90		8	We would like to see more consistency and fairness from one member of the community to the next.
92	N	7	More information communicated electronically would be helpful for those who are not permanent residents.
94	Y	3	Not consistent
102	N	1	My opinion the taxes are too high since I can't get to my property!
103	Y	6	Email or website communication would be helpful
105	Y	3	Chairman does not act in people of town's best interest
107	Y	3	Need more details of meetings and coming agenda of meetings

113		1	First initial review of land zoning appeared very secretive and seemed the board was trying to push through without most town people knowing about it .
114	N	7	It's good
120	Y	2	If it wasn't for our neighbors we wouldn't know what is going on.
121		10	Very good
127	Y	6	An app people can sign up for.
128	Y	2	Most residents get the Tomahawk paper, not the Lakeland Times.
129	Y	3	My fault for not attending meetings, but not much in the way of info, especially when stuff goes in Lakeland Times instead of Tomahawk Leader.
135	N	7	Seems fine
143	Y	5	I have not asked for any so no concerns but I do know who to ask if needed.
146	Y	1	Haven't received anything to date
157	N	10	Our residence in village of Kewaskum doesn't provide as much as Town of Nokomis so we were very pleased.
159	N	8	Board meetings are advertised open to all. Add email to send out regular info. Publicize what's available. Do more better.
164	Y	2	Never receive any communications other than tax time
167	Y	2	I see <u>no</u> communications being sent forward. I miss the Tomahawk Leader articles which were very informative.
168	Y	1	What communications?
169	Y	1	It would be great to start an email list when town happenings, board meeting notes, agendas, etc could be sent to on a regular basis.
170	N	7	It would be nice to know what taxes are going to be a year in advance so you can budget for them - not find out in December that you need extra \$1000 to be paid in January
172	N	5	Not sure how you communicate.... maybe email would be easier and more efficient.
175		3	No communication except taxes
176			We get them, we pay them
179	Y	6	Limited - I do not attend meetings
181	Y	4	The Town Board avoids and differs managing the town's business.
186	Y	4	Town board meeting minutes seem late to review and lacking detail
187	N	9	This survey is a good indication of the town board communicating with the taxpayers
189	Y	4	It newsletter would be helpful - quarterly
190	Y	6	Limited communication
195	Y	7	Communication is really just the town meeting. Minutes of meetings could be more timely.
196	N	8	We don't get a lot of communications
197	N	2	Other than my property tax bill this survey is the only communication I have received from the town in 22 years.
200	N	8	Taxes are clear on how to pay. Brush sight great. Are meeting minutes published? Website? Facebook?

209	Y	1	Just once communicate the same message to all (not one story here one story there)
224		5	We just moved here and don't know how to get in contact with anyone.
225	Y	5	Mixed messages from various board members on land use topic.
226	Y	1	Horrible! You sent out requests before for preferred zoning and then didn't honor the requests.
228	Y	5	Internet, Zoom meetings, email
229	N	2	No communication at all
238	Y	1	To many big metal structures or metal building being built on lots that are for sale.
256	Y	5	Sometimes at the meeting when a person says something it feels like the chairman doesn't appreciate being questioned or 2nd guessed
257	N	6	It's hard sometimes for non-residents to find information.
263	Y	1	Where?
265	N	9	Love the effort of keeping us informed of "hot" agenda items.
268	Y	5	Lacking professionalism and not open to input during town meetings at the appropriate times.
269	Y	7	Would like the town to have our emails to send minutes, etc.
271	Y	3	Need to be informed
280	N	6	When we ask a question, we get an answer.
287	Y	8	If you go to the meetings or read the minutes you will know what's happening.
288			Board meetings and minutes which I'm not faithful at reading.
290	N	8	Good feedback
301	Y	7	Clerk and treasurer not always approachable.
302	Y	5	What communication?
