SURVEY RESPONSE #	Property Owner?	Q3	Comments
6	Y	10	Emergency and fire have been great! The law enforcement is over and above. I had 3 squads sit in the end of my business for 2 hrs 1 evening. This does not help business! (1 on law enforcement)
13	Y	8	We live in rural area and emergency services are fine.
18	Y	8	Good services - Fire department and first responders are great.
36	N		Can't answer, thank God have not had to use any of them.
37	Y	7	Law enforcement?
38	Y		Have not needed these services so can't rate.
39	N		N/A
40	Y		Can not answer have not needed or used. Great facilities and vehicles.
47	Y	8	Takes too long for law enforcement to respond.
59	Y	10	EMS - 10, fire service has decreased with the (nothing else written).
60	Y		We have no direct experience with these services. However, from our experience attending each town council meeting, the monthly fire protection report usually indicates lack of sufficient operation funds.
62	Y	8	Who enforces the town's no parking on streets in the winter
67	Y	1	Gave a 1 for law enforcement, Emergency Fire Services and Fire Protection are OK.
78	Y	7	The town provides good services and has good volunteers
89	Y	9	For fire department only
94	Y	2	No ordinances are enforced
95	Y	8	Number of members is small
98	N	8	Better patrol of our town roads, more frequently
102	N	1	Years ago my trailer was destroyed by kids, the town gave me 30 days to get it off the lot. The officer wouldn't give me a name so I claim damages. I lost \$4000 and had to pay \$1000 to get it moved.
105	Y	8	great fire department
107	Y		Have never needed.
114	N	7	They seem good.
115	N		Have not had to use it!
116	N	10	Most towns this size do not have their own fire protection.
117	N	10	I really appreciate the EMS and fire protection services
128	Y	8	EMS & fire protection are good. Rarely see any law enforcement presence.
135	N	7	No complaints
139	Y	10	Great fire department
143	Y	7	Have not needed any of these so that's good but I am confident when I do it will be good
152	Y	5	Need ATV/UTV use enforced, town opened the system and users are doing whatever they want - speed, cutting corners - I am a ATV/UTV owner.
157	N	5	We haven't used any yet, so we're not familiar with them.
159	N	8	First responders - great EMS - sometimes delayed - they can't be everywhere at once.
162	Y	9	I called 911, and didn't have service
164	Y	10	Never needed - but know they are available. Thank you

167	Y		Have not needed any of these for several years - so cannot give feedback - Just thankful
168	Y	10	Law enforcement - 1 EMS and fire - 10
170	N	9	Thanks to all for keeping our community safe.
171	N		unknown
172	N	7	EMT service is great. We rarely see law enforcement .
177	Y	10	But haven't had to use.
179	Y		Law enforcement - targeting Nokomis area not for resident safety
190	Y	9	Quick response; kept communication until arrival
200	N	10	Great!
201	N	10	EMS was the <u>best</u> when they responded to my husband's stroke in a snowstorm three years ago
205	Y	6	Fire protection and EMS are slightly above average. Law enforcement is nearly invisible and should not have been included with fire and EMS
208	Y		Have not had to use as of today
209	Y	2	Law is great! Medical and fire seem non-existent
221	N	8	Continue to support
