

	Residential		Parks & Recreational Areas
SURVEY RESPONSE #	Property Owner?	Q4	Comments
13	Y	9	Nice that public has good access to WVIC property and boat landings. Parks are better than most rural towns have. Probably too many ball fields at park, maybe easier to maintain without so many ball diamonds, at least 1 is never used. Fencing could be used for pickleball courts.
18	Y	8	Mary's Park is very nice.
36	N	8	More pickleball courts?
38	Y	9	Love being so close to Northwoods trail, very well maintained.
60	Y		While we don not use the officially designated public parks and recreational areas, Prairie Lake is often used as such, with problematic lake entry, snowmobile use, firework displays, and non-resident motorboat use. This public use compromises the road embankment on the north end.
61	N	4	Some areas like ballfields seem to be neglected.
65	N	8	Mary's Park could use some repair/maintenance.
73	Y	1	Nokomis Park is in terrible condition, needs a lot of work.
78	Y	7	Needs to upgrade bathroom at town park
96		7	Upgrade bathrooms
102	N	1	During the summer, with the draw down on the water I can't put my boat in on any launch.
105	Y	8	Disc golf park needs to be mowed more often. Children's area needs updating. Privy needs to be open
110	N	5	Looking forward to Bearskin State Trail extension within the town of Nokomis.
111	Y		No opinion
114	N	7	Good
117	N	10	We're lucky that we have a lot to do with the lake. The park area and disc golf has been nice.
127	Y	8	We use the playground weekly, weather permitting.
135	N	6	Don't use much
141	Y	10	Too big of a park with not much use by the general tax payers.
143	Y	8	We have a great park for all to use.
170	N	7	Bathroom being closed? At times and open other never know... post times if they are going to be closed
171	N		unknown
172	N	10	Really good we love Perch Lake, Washburn, etc
177	Y	10	Good parks
179	Y	8	Well keep
195	Y	9	Love that we have a dog park
197	N	7	More water access for non-riparian owner would be good.
200	N	10	Need pickle board court. Need bike trails for safety that meet up with Bearskin Trail - paved
201	N	10	great parks!
204	Y	6	Public parks are in need of update and repair well different breeze
209	Y	4	Flush toilets are needed plus more general upkeep.
210	Y	4	The house at Nokomis needs to be fixed. More woods chips at playground.
224		10	Love the new park!!

226	Y	10	Top notch not only locally but statewide
254	Y	10	Better than 10
256	Y	3	The town park used to be very nice and kept up - it no longer is.
258	Y	3	Playground area is not being kept up.
259	Y	3	Town park is deteriorating more every year.
262	Y	10	Do not use
265	N	9	What we have is impressive and no present need to overdue.
269	Y	10	Nice
271	Y		Unknown
275	Y	5	Need to maintain boat landings - lots of erosion on Point Road West.
279	N	9	No experience
287	Y	7	Better access to bike trails. Maybe consider turning unused space into pickleball courts for people to use even if they use their own nets.
288			Please consider pickleball courts - only other courts are on Highway S. Biking has increased with families and the roads have no shoulders to ride on. Sped limits on Y - Lee - Prairie Rapids are 45-55MPH.
290	N	8	Looks like they are well kept
293	N	8	We love Mary's Park! And the paved loop at Nokomis Park.
299	Y	8	Not during Fall Ride
303	Y	3	Park provides nothing for senior tax payers! Plenty of room - pickleball court(s) - too much to consider?? Wouldn't cost that much.
